

# The *Organic* Game-Changing Onion!

— Yes, it's... —  
**Tearless!**

*3rd Party Certified*

Available  
November-  
April

## Growing Organic and Conventional Sunions

Sunions are the first truly tearless onions available in North America. Unlike other onions, Sunions mature into a milder, sweeter flavor over time and are a Non-GMO variety that provides less variability between onions.

- Sweet and Crunchy
- Rigorous Taste Panel Sets Release Date
- Becomes Sweeter in Storage
- Grown in the USA
